

## Chief of Dermatology | Baylor University Medical Center | Downtown Dallas

---

*Baylor University Medical Center (BUMC) has an exciting new opportunity for an inspired dermatologist to lead our Department of Dermatology and to develop a multi-talented medical dermatology practice on our Downtown Dallas campus.*

### **Features of the Position:**

- Experienced medical dermatologist sought with prior leadership and/or program director experience required
- Vision to develop robust inpatient consultative dermatology services for medically and surgically complex patient populations
- Vision to develop an outpatient medical dermatology practice
- One convenient practice location on the campus of a Level I Trauma flagship acute care hospital that serves tertiary/quaternary care needs of the region and beyond, plus possesses a full complement of transplantation offerings and medical/surgical oncology
- Teaching responsibilities with the BUMC Dermatology and other residency training programs and Texas A & M Medical Students on site
- Clinical and translational research opportunities available
- Faculty Appointment with Texas A&M College of Medicine available to interested candidates

### **Requirements:**

Candidates must be board certified or board eligible (no VISA sponsorship), and fellowship trainees may apply as well. Employment is through Health Texas Provider Network (HTPN), the employment group of Baylor Scott & White. The salary is highly competitive, together with generous relocation support, full health benefits, and retirement accounts including a 401k.

### **About Us:**

**Baylor Scott and White Health (BSWH)** is the largest not-for-profit health care system in the State of Texas and one of the largest in the United States. Serving a large and diverse population across North and Central Texas, BSWH has the vision and resources to provide its patients continued quality care while creating a model system for a dramatically changing health care environment. The BSWH system includes 47 hospitals, more than 900 access points, over 6,600 physicians and 43,500 employees, plus a state certified Health Maintenance Organization, the Scott and White Health Plan (Health Plan), and Baylor Quality Health Care Alliance LLC (BSWQA) – a high performing network of clinical providers and facilities focused on improving quality, managing the health of patient populations, and reducing the overall cost of care.

BSWH includes a robust spectrum of owned, operated, ventured and affiliated hospitals; satellite outpatient clinics; free standing ambulatory surgery centers; free standing emergency medical centers; free standing imaging centers; numerous retail pharmacies; and geographically dispersed physician's clinics in the North Texas and Central Texas regions.
