

Abilene Dermatology and Skin Surgery Center, PC is seeking a board certified or board eligible Dermatologist to join our practice in Abilene, Texas.

As a Physician with our group, you would assume the current volume of patients of that of a retiring mid-level. You would be busy from day one with 35 plus patients per day with a vast array of skin conditions, including medical, surgical and cosmetics.

Abilene Dermatology is the largest dermatology practice in Abilene, Texas and the surrounding rural areas. Our practice typically sees in excess of 20,000 patients per year.

Benefits of working with Abilene Dermatology and Skin Surgery Center, PC:

We have an extensive referral base of both primary and specialty colleagues

We provide you with the ability to practice medicine within accepted standards of care

We will provide nursing, technical, administrative, clerical and other support personnel

We will allow you the flexibility to build your own scheduling template

We utilize EMA by Modernizing Medicine as our Electronic Health Records System

We will provide marketing support to promote your presence with our practice.

Compensation Package:

Competitive base salary with a production-based incentive

Work week consisting of 4 full days and 1 half day

Paid Time Off includes 20 workdays for vacation, sick leave, and leave in order to attend professional meetings

Paid holidays as stated in Office Personnel and Procedures Policy Manual

Yearly reimbursement for expenses incurred with costs associated with attending professional meetings

Paid Malpractice Insurance

Medical License and Medical Board Exam Reimbursement

401(k) and Profit Sharing Plan

Qualifications:

MD or DO License to practice in the State of Texas

Board Certification or Board eligibility within Dermatology

Texas Medical License
