

Revelus Dermatology is a privately owned dermatology practice looking for a full time BC/BE dermatologist to join our team. We are located in the beautiful city of Austin, TX.

We practice a mix of general, cosmetic and surgical dermatology and just moved into a beautiful new space allowing us to expand.

We use EMA and have plenty of support staff, so all you have to do at the end of the day is review and sign your notes. We can tailor a schedule and compensation structure based on your needs.

Please email me at drrichardson@revelus.com if interested in this position.
